Cicero, Philippic 2, 44-50, 78-92, 100-119 - Ingo Gildenhard 2018-09-03

Cicero composed his incendiary Philippics only a few months after Rome was rocked by the brutal assassination of Julius Caesar. In the tumultuous aftermath of Caesar's death, Cicero and Mark Antony found themselves on opposing sides of an increasingly bitter and dangerous battle for control. Philippic 2 was a weapon in that war. Conceived as Cicero's response to a verbal attack from Antony in the Senate, Philippic 2 is a rhetorical firework that ranges from abusive references to Antony's supposedly sordid sex life to a sustained critique of what Cicero saw as Antony's tyrannical ambitions. Vituperatively brilliant and politically committed, it is both a carefully crafted literary artefact and an explosive example of crisis rhetoric. It ultimately led to Cicero's own gruesome death. This course book offers a portion of the original Latin text, vocabulary aids, study questions, and an extensive commentary. Designed to stretch and stimulate readers, Ingo Gildenhard's volume will be of particular interest to students of Latin studying for A-Level or on undergraduate courses. It extends beyond detailed linguistic analysis to encourage critical engagement with Cicero, his oratory, the politics of late-republican Rome, and the transhistorical import of Cicero's politics of verbal (and physical) violence.

Pollination Biology - Dharam P. Abrol 2011-10-05

The chapters on biochemical basis of plant-pollination interaction, pollination energetics, climate change and pollinators and pollinators as bioindicators of ecosystem functioning provide a base for future insights into pollination biology. The role of honeybees and wild bees on crop pollination, value of bee pollination, planned honeybee pollination, non-bee pollinators, safety of pollinators, pollination in cages, pollination for hybrid seed production, the problem of diseases, genetically modified plants and bees, the role of bees in improving food security and livelihoods, capacity building and awareness for pollinators are also discussed.

The Millionaire Fastlane - MJ DeMarco 2011-01-04

10TH ANNIVERSARY EDITION Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market,

and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

An Essay Concerning Human Understanding - John Locke 1894

Adventist Maverick - George R. Knight 2014-11-01

Dr. George R. Knight is a man on a mission. He wants people to know by experience the riches of God's grace in Christ. It's to this end that Knight, a historian, has taught and written. Much of Knight's writing has been on controversial subjects, such as the Shut Door, the 1888 General Conference, and the 1901 reorganization of the church. In this book, you'll also find what he has to say about understanding and applying Ellen White's writings about last-generation perfectionism, about substitution and sacrifice as more than mere metaphors, and about Ellen White's counsels on lifestyle as based on principle rather than rigid literalism. Knight's writing is spicy at times-he has, for instance, a book named *Myths in Adventism*, a chapter in another book called "The Bible's Most Disgusting Teaching," and an article titled "Adolf Hitler and Ellen White Agree on the Purposes of Adventist Education."

But Knight doesn't write merely to shock us. He shouts in print so we can hear above the noise of the world today what the past can teach us. Book jacket.

The Spiritual Guide Which Disentangles the Soul - Miguel de Molinos 2018-12-17

"The Natural Man may hear and read these Spiritual Matters, but he can never comprehend them, as St. Paul saith; (I Cor.c.2) 'The Natural Man receiveth not the things of the Spirit of God.' If you condemn it, you condemn your self to the number of the wise men of this World, of who St. Denis says, that God imparts not this Wisdom to them, as he does to the simple and humble, though in the opinion of Men they be ignorant. "Mystical knowledge proceeds not from Wit, but from Experience; it is not invented, but proved; not read, but received; and is therefore most secure and efficacious, of great help and plentiful in fruit; it enters not (Mat.II.) into the Soul by Ears, nor by the continual Reading of Books, but by the free Infusion of the Holy Ghost, whose Grace with most delightful intimacy, is communicated to the simple and lowly. "There are some Learned Men, who have never read these Matters, and some Spiritual Men that hitherto have hardly relished them and therefore both condemn them, the one out of Ignorance, and the other for want of Experience."-MIGUEL DE MOLINOSThe Spiritual Guide which Disentangles the Soul
