Dog Diaries #2: Buddy - Kate Klimo 2013-01-08

For anyone who has ever wanted a puppy, the DOG DIARIES series tells a dog's story in a new way-- from a dog's point of view! Focusing on a different breed for each book, starting with a Golden Retriever and a German Shepherd, these stories are based on true dog stories or on true-to-life situations. With realistic black-and-white illustrations by renowned illustrator Tim Jessel and an factual appendix, dog-loving early chapter book readers will beg for more! A German shepherd—the first dog trained at Dorothy Eustis's famous Seeing Eye guide-dog school for the blind—looks back at her life. Chosen for her intelligence, obedience, and willingness to learn, Kiss knows there is more to life than chasing balls and chewing bones. She is a Noble Creature and Great Things await her. But after spending months learning to take care of her beloved trainer Jack, why does he suddenly want her to take care of Morris—a strange, clumsy man who wants to change her name to Buddy? Could it be that Morris needs Kiss to take care of him even more than Jack did? Based on a true story, the appendix has facts about German shepherds, the history and training of guide dogs, hosting guide-dog puppies, and much more.

The German Shepherd Dog In Word And Picture - V. Stephanitz 2011-03-25

Originally published in Germany in 1923, "The German Shepherd Dog in Word and Picture" is the English translation of what is probably the most important book ever published on this popular breed. This volume is highly recommended for owners and breeders alike, and it would make for a fantastic addition to collections of allied literature. Contents include: "The Shepherd dog and Herdsman's dog, their Origin and Relationship", "The Nature and Service of the Shepherd Dog", "Breeding", "Rearing", "Judging", "Training", "Kennels", etc Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.

German Shepherd Dog Training - Claudia Kaiser 2020-08-16

German Shepherd Dog Training - Dog Training for your German Shepherd puppy The training of dogs is often... .. confused with classical dog training drills ... only considered necessary for demanding dogs ... mocked by other dog owners ... replaced by anti-authoritarian methods ... considered too difficult to achieve without experience. What constitutes dog training and what is it good for? And how can you and your German Shepherd Dog profit from it without having any experience? The most important thing is to understand how a dog sees his world, what is "normal" for him and how you can use this to your advantage. In addition, the characteristics of each breed are significant when you get beyond the basic training phase. Your German Shepherd Dog will show characteristics which are different to those of a Pug, for example, and this is predominantly what you need to consider during training. This book is vol. 1 of the German Shepherd Dog training books. Vol. 2 for your grown up German Shepherd is also available with the title "German Shepherd Dog Training Vol. 2: Dog Training for your grown-up German Shepherd" Author Claudia Kaiser says about her book: "It was my desire to let other dog owners profit from the knowledge I have gained over many years, and after making many mistakes. I love my dog and know how important it is to adapt the training to suit each breed. It is exactly this desire that prompted me to write this book. My aim is to help every beginner, not only to understand his dog better, but also to know exactly how to get the best results, step-by-step, so that you can achieve a close, positive and trusting human-dog relationship." Quench your curiosity to know about background information, read reports on other experiences and obtain step-by-step instructions and secret tips which are tailor-made for your German Shepherd Dog. Get your copy of this book today and experience... .. how your German Shepherd Dog sees his world ... and how you can progressively train your dog to receive the best results. Your German Shepherd Dog will appreciate it... .. so this is my advice: Don't hesitate to buy this book! Content of this book: About the Author Preface What you need to know about your German Shepherd Dog Cornerstones of training puppies Before the puppy arrives The first few weeks The first commands Training basic knowledge Special Chapter - The hunting instinct Check list for the start Conclusion

Your German Shepherd Puppy Month by Month, 2nd Edition - Liz Palika 2016-05-10

Your German Shepherd Puppy Month-by-Month provides readers with everything they need to know and do at each stage of development to make sure their playful, energetic puppy grows into a happy, healthy, and well-adjusted companion. Expert authors Liz Palika, vet Deb Eldredge, and breeder Joanne Olivier team up to cover all the questions new owners tend to have and many they don't think to ask, including: - What to ask the breeder before bringing your puppy home - Which vaccinations your puppy

needs and when to get them - How to make potty training as smooth (and quick) as possible - What do to when your puppy cries at night - Why and how to crate train your puppy - When socialization should happen and how to make sure it does - When your puppy is ready to learn basic commands-like Sit, Stay, and Come-and the best way to teach them - When and how to go about leash training - How much exercise your puppy needs to stay physically and mentally healthy - What, how much, and when to feed your puppy to give him the nutrition he needs without the extra weight he doesn't - When your puppy is ready for obedience training and how to make sure it works - How and how often to bath your puppy, brush his coat, clip his nails, and brush his teeth. - How to know what requires a trip to the vet and what doesn't - What causes problem behaviors, when to expect them, and how to correct them

German Shepherds - Dog Books for Kids - K. Bennett 2015-02-08

German Shepherds - Dog Books for Kids Table of Contents Introduction Chapter 1 Chapter 2 Chapter 3 Conclusion Author Bio Introduction "Money will buy a pretty good dog, but it won't buy the wag of his tail." — Josh Billings German Shepherds are intelligent, versatile and faithful dogs. They have outstanding characteristics, and excel in almost anything they do. This breed is well known and among the 10 most popular breeds in the U.S. But, what makes them so popular? To begin with, their skills extend beyond the home. They are used in law enforcement, serving with police and even the military. They also help with special needs. For example: With those who are handicapped and require constant attention. However, their skills do not end there. Does the name Rin-Tin-Tin ring a bell? He was quite famous and appeared in many movies and shows. He was so popular he received hundreds of fan letters, sometimes thousands per week! And after the World Trade Center disaster, faithful German shepherd dogs risked their lives to comfort rescue workers and help find those who were missing. German shepherds are also excellent watchdogs. Their alert and often suspicious nature, can serve to protect both you and your family from strangers. However, this aspect of their personality may not appeal to you, if you are looking for a more guest friendly dog. This breed has a high energy level. Originally when this dog was first bred, it was for working purposes. The idea was to help herd flocks, get them into groups and so on. This all day task helped to shape a strong and high energy dog that requires a lot of activities to keep their attention. It is important to take note of this part of their personality. Why? Well, if they do not get the attention they need their boredom (even frustration) will shine through, with lots of barking and chewing. Depending on how loud it gets, it may drive you up the wall! Despite this aspect of their personality, there is no doubt German Shepherds are amazing dogs, and a wonderful asset to any home. And with proper training and loving attention, they will stand by you through thick and thin. Not a bad description to add to the list of... man's best friend!

Training A German Shepherd Puppy - Arnold Wigglesworth 2021-07-30

Not all dogs are created equal. When it comes to GSDs (that's the short way to say German Shepherd Dog) they are truly a breed apart. They are large dogs; agile, fast, aggressive, and intimidating if you want them to be. They are smart, loyal, inquisitive, persistent, protective, and willing to push the boundaries. In this book, you will discover: - Chapter 1 History of the German Shepherd Dog Breed - Chapter 2 German Shepherd Characteristics & Temperament - Personality - Physical Characteristics - Temperament - Chapter 3 German Shepherd Health Care - Exercise Needs for the GSD - Routine Vaccinations & Vet Care - Protecting Your German Shepherd From Parasites, Fleas and Ticks - Preparing For Emergency - Care - And so much more! In Cuba I Was a German Shepherd - Ana Menéndez 2007-12-01

Eleven short stories of the Cuban immigrant experience as characters adjust to life in the United States, from an award-winning author. From the prize-winning title story—a masterpiece of humor and heartbreak—unfolds a collection of tales that illuminate the landscape of an exiled community rich in heritage, memory, and longing for the past. In *In Cuba I Was a German Shepherd* is at once “tender and sharp-fanged” as Ana Menéndez evocatively charts the territory from Havana to Coral Gables, Florida, and explores whether any of us are capable, or even truly desirous, of outrunning our origins (LA Weekly). “With the grace of Margaret Atwood and the sensuality of Laura Esquivel,” Menéndez makes an unforgettable debut “rich in metaphor, wisdom, and delicious subtlety” (St. Petersburg Times).

The German Shepherd Dog - Resi Gerritsen 2021-08-02

The definitive history of the German Shepherd, the most famous working dog in the world Learn: - Details of the breed standard, past and present. - How and why show and working dog lines developed. - Key problems with the breed today and potential solutions. Countless books have been written about how to train and care for German Shepherds, but until *The German Shepherd Dog: A Historical View of the Breed's Development, Prime, and Deterioration*, no other book has offered a deep exploration of the breed's history and development. Expert trainers Resi Gerritsen and Ruud Haak take fans of the German Shepherd on a fascinating journey from the breed's origins in the 19th century to its spread around the world as one of the top working dog breeds. More than 130 pedigree and bloodline analyses and over 400 photos painstakingly document influential dogs in the breed's development, including lists and analyses of the Siegers, Siegerins, Leistungssieger, and VA class dogs that form the foundation of today's German Shepherds. In recent decades, the breed has declined in both health and popularity as a working dog. After highlighting reasons for the breed's deterioration, the authors demand change for the breed they love and look forward to a future when the German Shepherd regains its status as the world's premier working dog. Anyone who breeds or trains this incredible dog needs this book.
