Defending Assessment Security in a Digital World - Phillip Dawson 2020-10-26

Defending Assessment Security in a Digital World explores the phenomenon of e-cheating and identifies ways to bolster assessment to ensure that it is secured against threats posed by technology. Taking a multi-disciplinary approach, the book develops the concept of assessment security through research from cybersecurity, game studies, artificial intelligence and surveillance studies. Throughout, there is a rigorous examination of the ways people cheat in different contexts, and the effectiveness of different approaches at stopping cheating. This evidence informs the development of standards and metrics for assessment security, and ways that assessment design can help address e-cheating. Its new concept of assessment security both complements and challenges traditional notions of academic integrity. By focusing on proactive, principles-based approaches, the book equips educators, technologists and policymakers to address both current e-cheating as well as future threats.

Saturn Return Survival Guide - Lisa Stardust 2021-05-05

The *Saturn Return Survival Guide* is the perfect companion for those seeking guidance as they enter this turbulent time. Every 27 to 29 years, Saturn returns to the sign it was in when you were born – a cycle called the Saturn return. During this phase, you will typically break down in order to rebuild, and question everything from your career to the past to relationships and even finances. It's a time of deep reflection, turmoil and self-doubt. But after Saturn passes into a new sign, you will also experience great clarity and calm as you enter into a new chapter of your life. Understanding this cosmic rite of passage can help you to advance into your next stage of adulthood and the *Saturn Return Survival Guide* is the definitive guide to navigating this turbulent time. We break down the basics for each star sign and offer meditations and manifestations to help you through (using crystals, candles, and bath magic). Fun and easy to read, the *Saturn Return Survival Guide* is full of astrological truths for the believers as well as novices searching for meaning. Written by Lisa Stardust of the Instagram handle @liststardustastro. Complete with modern vintage full-colour illustrations by London based artist, Emmy Lupin (@emmylupin).
