The Good Stuff - Lucinda Miller 2018-09-13

Healthy food that children will actually eat? Most parents would go to the moon and back for the secret? In the mad rush of family life, many parents find themselves too busy to cook and rely increasingly on shop-bought convenience foods to get everyone through the day. Drawing on 20 years of clinical practice, top child nutrition expert Lucinda Miller shows how vital it is that we reverse this trend and bring back home-cooked food as a mainstay of family life. She offers a series of simple steps that will help your child build a positive relationship with food and have huge benefits for their long-term health and wellbeing. From Crunchy Lemon Chicken Goujons to Brain-Boosting Pancakes, there are recipes to suit all ages, from toddlers to teens, and they come with useful nutritional notes, as well as clever swaps for the main food allergens. When you know the tricks, home cooking does not need to be time-consuming or expensive. Lucinda's recipes are quick to prepare and most of the ingredients should be easy to include in your weekly shop. Follow her approach, and you will begin to see a change in your children. They will lose their sugar cravings, have more energy, sleep better, have better concentration and be much less likely to gain unwanted weight. Try The Good Stuff ? it's a recipe for happiness!

The Spanish Love Deception - Elena Armas 2022-02-08

A wedding. A trip to Spain. The most infuriating man. And three days of pretending. Or in other words, a plan that will never work. Catalina Martín, finally, not single. Her family is happy to

announce that she will bring her American boyfriend to her sister's wedding. Everyone is invited to come and witness the most magical event of the year. That would certainly be tomorrow's headline in the local newspaper of the small Spanish town I came from. Or the epitaph on my tombstone, seeing the turn my life had taken in the span of a phone call. Four weeks wasn't a lot of time to find someone willing to cross the Atlantic-from NYC and all the way to Spain-for a wedding. Let alone, someone eager to play along with my charade. But that didn't mean I was desperate enough to bring the 6'4 blue eyed pain in my ass standing before me, Aaron Blackford. The man whose main occupation was making my blood boil had just offered himself to be my date. Right after inserting his nose in my business, calling me delusional, and calling himself my best option. See? Outrageous. Aggravating. Blood boiling. And much to my total despair, also right. Which left me with a surly and extra large dilemma in my hands. Was it worth the suffering to bring my colleague and bane of my existence as my fake boyfriend to my sister's wedding? Or was I better off coming clean and facing the consequences of my panic induced lie? Like my abuela would say, que dios nos pille confesados. The Spanish Love Deception is an enemies-to-lovers, fake-dating.

Pack Up the Moon - Kristan Higgins 2021-06-08

They used to joke about it. Like many brilliant scientists, Josh sometimes had trouble remembering things that needed doing in the “real” world—like buying groceries, eating regular meals, and talking to people. But he was happy to have his beloved wife, Lauren, remind him with her “honey do” lists. He just never realized how much he would need one when she was gone. Being a widower is not something Joshua Park ever expected. Given his solitary job, small circle of friends and family, and the social awkwardness he’s always suffered from, Josh has no idea how to negotiate this new, unwanted phase of life. But Lauren had a plan to keep him moving forward. A plan hidden in the letters she leaves him, giving him a task for every month in the year after her death. A plan that leads Joshua with a loving hand on a journey through grief, anger, and denial. It’s a journey that will take Joshua from his first outing as a widower to buy groceries...to an attempt at a dinner party where his lack of experience hosting creates a comic disaster...to finding a new best friend while weeping in the

dressing room of a clothing store. As his grief makes room for new friendships and experiences, Joshua learns Lauren's most valuable lesson: The path to happiness doesn't follow a straight line. Funny, sometimes heart-wrenching, and always uplifting, this novel from New York Times bestselling author Kristan Higgins illuminates how life's greatest joys are often hiding in plain sight.

Happily Ever After - Trista Sutter 2013-11-26

Trista Rehn was a pediatric physical therapist moonlighting as a Miami Heat dancer when she heard about casting for a new reality show—one guy getting to know twenty-five girls in the hope of finding a fiancée. As improbable and crazy as it sounded, Trista took the chance—and had her heart broken on the very first season of *The Bachelor*. But the next season, as the first Bachelorette, her fairy tale fell into place during a whirlwind courtship with poetry-writing firefighter Ryan Sutter and, eventually, a dream-come-true wedding on national TV. In the midst of building a life with Ryan and raising two kids, Trista started to make a conscious effort to remember her favorite part of each day. And she's made sure to post these thoughts, her own personal expressions of gratitude, almost every night on Twitter and Facebook—even on days she was dealing with fertility issues, a difficult pregnancy, family deaths, and other challenges that many of us face. Sometimes it's the smallest gestures and the most unassuming things that can have the greatest effects. Trista is often asked her secret to being one of the rare reality-TV relationships to make it to the altar and beyond. In this heartfelt book, she shares the simple yet profound keys to finding everyday happiness: gratitude and grace. From the blink-and-you'll-miss-them moments we have with our kids, our spouses, our pets, or even strangers, to the more obvious lessons we pick up from reading the news or hearing an inspirational story, knowing how to recognize, accept, and be grateful for all of our daily blessings is truly what “happily ever after” means.
