Unsupervised Feature Extraction Applied to Bioinformatics - Y-h. Taguchi 2019-08-23

This book proposes applications of tensor decomposition to unsupervised feature extraction and feature selection. The author posits that although supervised methods including deep learning have become popular, unsupervised methods have their own advantages. He argues that this is the case because unsupervised methods are easy to learn since tensor decomposition is a conventional linear methodology. This book starts from very basic linear algebra and reaches the cutting edge methodologies applied to difficult situations when there are many features (variables) while only small number of samples are available. The author includes advanced descriptions about tensor decomposition including Tucker decomposition using high order singular value decomposition as well as higher order orthogonal iteration, and train tenor decomposition. The author concludes by showing unsupervised methods and their application to a wide range of topics. Allows readers to analyze data sets with small samples and many features; Provides a fast algorithm, based upon linear algebra, to analyze big data; Includes several applications to multi-view data analyses, with a focus on bioinformatics.

Iron Widow - Xiran Jay Zhao 2021-09-21

An instant #1 New York Times bestseller! Pacific Rim meets *The Handmaid's Tale* in this blend of Chinese history and mecha science fiction for YA readers. The boys of Huaxia dream of pairing up with girls to pilot Chrysalises, giant transforming robots that can battle the mecha aliens that lurk beyond the Great Wall. It doesn't matter that the girls often die from the mental strain. When 18-year-old Zetian offers herself up as a concubine-pilot, it's to assassinate the ace male pilot responsible for her sister's death. But she gets her vengeance in a way nobody expected—she kills him through the psychic link between pilots and emerges from the cockpit unscathed. She is labeled an Iron Widow, a much-feared and much-silenced kind of female pilot who can sacrifice boys to power up Chrysalises instead. To tame her unnerving yet invaluable mental strength, she is paired up with Li Shimin, the strongest and most controversial male pilot in Huaxia. But now that Zetian has had a taste of power, she will not cower so easily. She will miss no opportunity to leverage their combined might and infamy to survive attempt after attempt on her life, until she can figure out exactly why the pilot system works in its misogynist way—and stop more girls from being sacrificed.

The Story of Kao Yu - Peter S. Beagle 2016-11-30

"The Story of Kao Yu" is a new fantasy short story by the legendary Peter S. Beagle which tells of an aging judge traveling through rural China and of a criminal he encounters. Of the story, Beagle says it “comes out of a lifelong fascination with Asian legendry — Chinese, Japanese, Korean, Indian, Indonesian

— all drawn from cultures where storytelling, in one form or another, remains a living art. As a young writer I loved everything from Robert van Gulik's Judge Dee mysteries to Lafcadio Hearn's translations of Japanese fairytales and many lesser-known fantasies. Like my story 'The Tale of Junko and Sayuri,' 'The Story of Kao Yu' is a respectful imitation of an ancient style, and never pretends to be anything else. But I wrote it with great care and love, and I'm still proud of it." At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Spread the Peace! - utu 2021-03-25

It's lights-out during a trip, but three friends are not quite tired just yet. With the night still young and the gals wanting to make some memories, they decide to spill the details on their dirtiest deeds to see who has had the hottest sexual exploit. First off is Samejima using her high and tight cheerleading skills to knock a baseball team's ace out of the park. Next up is Fujii who uses the curves of her body and her feet to pleasure and punish her beloved. But as steamy as their stories are, they might be outdone by Watase's story of group filmed sex at the behest of her boyfriend!

In the coming war with the Church's forces, control over the strait between the Kingdom of Winfiel and the mainland will play a crucial role. While Myuri is excited for a new adventure, Col cannot hide his unease after hearing about potential heresy among certain pirates for their faith in the "Black-Mother"!

Attack on Titan: Kuklo Unbound - Ryo Suzukaze 2018-12-04

A prequel to the blockbuster Attack on Titan series, Before the Fall is a three volume young adult fiction fantasy novel series set years before the events that transpire with Eren and Mikasa. Together, the second and third volumes of Before the Fall are yet another prequel story and they are for the most part separate from the story of Angel and Wall Maria. In this collection we are introduced to a new character, Kuklo, who was found as a baby crying in a mass of Titan vomit, amidst the dead titan corpses. He is called "a child of titan" and is essentially hated by the people inside the walls. Kuklo, despite his horrible beginnings and a single-functioning eye, also seems to grow unnaturally fast. He parts himself from his past and gambles on the fate of humanity by enlisting in the Survey Corps. This group functions primarily outside of the safety of the walls. And here with his strength and determination Kuklo survives and thrives. But to accomplish this he gets his hands on the Vertical Maneuvering Equipment. Although the gear is still imperfect and causes a troublesome incident for Kuklo, he fights the titans. Whether it is because it is his fate to fight them, or it is because of his past, he fights against them.

Star Wars Visions: Ronin - Emma Mieko Candon 2021-10-12

NATIONAL BESTSELLER • A mysterious former Sith wanders the galaxy in this stunning Star Wars tale, an original novel inspired by the world of The Duel from the Star Wars Visions animated anthology. The Jedi are the most loyal servants of the Empire. Two decades ago, Jedi clans clashed in service to feuding lords. Sickened by this endless cycle, a sect of Jedi rebelled, seeking to control their own destiny and claim power in service of no master. They called themselves Sith. The Sith rebellion failed, succumbing to infighting and betrayal, and the once rival lords unified to create an Empire . . . but even an Empire at peace is not free from violence. Far on the edge of the Outer Rim, one former Sith wanders, accompanied only by a faithful droid and the ghost of a less civilized age. He carries a lightsaber, but claims lineage to no Jedi clan, and pledges allegiance to no lord. Little is known about him, including his name, for he never speaks of his past, nor his regrets. His history is as guarded as the red blade of destruction he carries sheathed at his side. As the galaxy's perpetual cycle of violence continues to interrupt his self-imposed exile, and he is forced to duel an enigmatic bandit claiming the title of Sith, it becomes clear that no amount of wandering will ever let him outpace the specters of his former life.

Beauty and the Beast - Gabrielle-Suzanne Barbot de Villeneuve 2017-03

This is the first published version of Beauty and the Beast, written by the French author Gabrielle-Suzanne Barbot de Villeneuve in the mid-18th century and translated by James Robinson Planch . It is a novel-length story intended for adult readers, addressing the issues of the marriage system of the day in which women had no right to choose their husband or to refuse to marry. There is also a wealth of rich back story as to how the Prince became cursed and revelations about Beauty's parentage, which fail to appear in subsequent versions of the now classic fairy tale.
